Substitute care and parent back-up

In the unlikely event that I am too ill to care for your child I will notify you by 6:00 am. Most of the cases I have a teacher substitute to work with the kids.

In case of illness in my family or an emergency situation, I will not be able to care for the children usually in my care. If any child care home will be closed, I will give notice so you can make other temporary arrangements. When requested to do so, I will help locate a substitute, but offer no guarantee of success. It is requested that you make plans for a back-up child care arrangement at this time. Then, if the situation arises, you will be inconvenienced as little as possible.

I will provide substitute care when I will be away from the home for my own or my children's pre planned personal appointments. I will use my brother Jerico or my husband Thomas if I can not get a sub for those hours until I can arrive. They are familiar with the policies of the home, regulations and the children. In the event of an emergency I will notify you and you will need to find care on your own.

Potty Training

When your child is in diapers you will need to provide diapers, diaper wipes, diaper rash ointment/cream, diaper disposable bags and extra clothing.

When your child begins to ask questions about using the toilet and is able to dress and undress unassisted and we both feel the child is ready we can begin toilet training. If the child has success in potty training at home the provider may attempt to provide assistance to the potty training process at their discretion during the daycare. You will then need to provide pull ups and plenty of extra clothes. I do not have a specific method I use as my experience has shown me that each child's experience is unique. It is important for all of the child's caregivers to be consistent with the toilet training.

The Parent / Guardian agrees to keep the child in diapers or "pull-ups" until the child has demonstrated the ability to remain "accident-free" for a period of at least 4 weeks at home.

Field Trips

Every summer we take 3 field trips and parents will be asked to provide from \$10 to \$20 to cover admission. If you do not want your child to attend you will need to make alternate arrangements for their care that day. In some occasions there will be a teacher assistant with the babies at home.

Parents will need to sign permission for field trips and activities as well as the occasional unplanned excursion. Parents will be notified of any field trip or scheduled activity. In the event that we need to run an errand such as a trip to the grocery store, I will call each parent on their primary phone number and let you know where we are going. Each parent will be given my cell phone number so that they can contact me when we are out.

I use a Chevrolet Tahoe that can safely seat 6 children. The vehicle is equipped with infant or booster seats

Child's Illness

If the child is exhibiting any of the following symptoms, he won't be accepted for care that day and alternate care arrangements should be made.

Fever of 101° or higher, vomiting, diarrhea, coughing, running nose (green)

If the child begins to exhibit any of the above symptoms, the Provider may notify the Parent / Guardian and request an immediate pickup of the child. This policy is implemented to ensure the safety and well being of the other children in the daycare and the Provider.

Your child will need to be free of fever or diarrhea for 24 hours before they can return to care. If your child has been put on antibiotics they will need to wait 24 hours before returning. I reserve the right to request a statement from the child's health care provider.

If your child requires medication you and the health care provider will need to complete the required authorization forms. The medication will need to be in the original container and given directly to me. It will be stored inaccessible to children.

In the event that your child becomes ill and needs to leave care you will be asked to come pick up your child within one hour. If your child is injured and requires medical attention you will be notified immediately. Small bumps and bruises are an every day event for most children at some point in their lives. If you would like to be notified each time please let me know and you will be notified. Otherwise you will be notified at the end of the day. Other emergencies will be handled on a case by case basis.

The provider reserves the right to refuse care to any child deemed to be too ill to be in the child care home. There is no rebate of fees for sick days.

My own children are fully immunized. I accept children into care that may be exempt from some or all immunizations. Be advised that your children may be in care with children that are not fully immunized.

Guidance Policy

In Falcon Day Care the children who are too young to understand natural consequences will be redirected to an acceptable activity. Older children will be given choices that clearly explain the consequences of their actions. I try and catch children doing something "right" and celebrate their good choices.

The technique of "timeout" will be used in the event the child misbehaves. The Provider will use the opportunity to explain why the child's actions were inappropriate and to give the child time to reflect upon their actions. If a child becomes abusive or poses a danger to the other children, the Provider reserves the right to require immediate pickup and / or terminate this agreement in the interest of safety.

Use of Media

We watch G rated educational videos to complement the learning. Children will not watch TV, except for the special occasion movie. There is a computer available. Children will be supervised while using it.

Child Release Policy

Children will be released only to persons listed on their enrollment form. Anyone not known to the provider will be asked to provide an ID. If you have an emergency and need someone not listed on the enrollment form to pick up your child you will need to call and give verbal authorization. That person will need to show ID.

If someone attempts to pick up your child and they are not authorized 911 will be called.

A parent has the right to pick up their child whether they are listed on the enrollment form or not unless court orders do not allow for this. I will need to have a copy of any court orders.

If you or any other person arrives to pick up a child and appear to be under the influence of drugs or alcohol I will encourage you to let me call someone to come get you. If you leave with your child I will call 911 and report you.

Natural Disasters

In case of fire, the children and the provider will leave the home and gather at the front neighbor's house. If we have to leave the area and you arrive and no one is there due to an emergency we will be at the Safeway on Woodman and Mclaughlin Rd. If that location is not safe the back up location is Walmart on Woodman and Meridian Rd.

In the event that we have an emergency that causes evacuation there is an emergency kit in the car that contains food, water, blankets and emergency numbers for the children.

For emergencies that require that we take shelter in the home there is an emergency preparedness kit in the basement that contains food, water, flashlights and activities.

In case of tornado the children and the provider will be move to the guest bathroom.

In case of flood the children and the provider will move to a high level and unless instructed to go elsewhere by emergency officials.

Contract Renewal

Contracts will be renewed annually six weeks before the previous contract expire. Any changes that take place in your family should be reported and changes made on the child care forms immediately.

Update on Health & Immunization Forms

The Health Status Form, Immunization Form, and Over the counter Medication Form must be updated annually for children under the age of 7 and every three years for children ages 7 and older. The Immunization Record must be updated according to the age requirements of your child as stipulated by the Health Department.

Maternity Leave

Maternity leave should be a time of joy for all, but many times the provider is put in an awkward position of holding the older sibling's space and reserving a space for the new child. This Child Care Home operates by the following policy:

I encourage parents to allow the child in care to continue to come at least three days per week. For incoming siblings, arrangements need to be made as soon as the mother knows the child is on the way. Parents should plan ahead to have all paperwork signed and a tentative starting date in mind. All regular holding fees and procedures will apply. If a space has to be held for more than two weeks, a holding fee or partial weekly charge will need to be paid at time of registration to hold this space. There may be a possibility that I cannot hold a space for your new child because of rules regulation the amount of children in my child Care Home. I will inform the parent immediately of this situation.
